Assistant Commissioner for Patents
Washington, DC 20231

Sir:

PRELIMINARY AMENDMENT

In response to the communication mailed July 3, 2001, and prior to the examination of this application on the merits, please amend it as follows:

IN THE SPECIFICATION:

Please replace the Sequence Listing at pages 18-19 with the attached Substitute Sequence Listing.

REMARKS

In a communication mailed July 3, 2001, the Office indicated that Applicants must submit an initial paper copy of the Sequence Listing and an initial computer readable form of the Sequence Listing in order to comply with the requirements of 37 C.F.R.

§§ 1.821-1.825. Because the application as-filed contains a Sequence Listing on pages
